## 2. PRODUCT — EuroSolar ES-620M TOPCon BIFACIAL MODULE

EuroSolar GmbH is a vertically integrated European manufacturer with cell production in Düsseldorf and module assembly in Wrocław (Poland). All cells are produced under the EU Solar Energy Manufacturers Alliance (SEMA) certification. The ES-620M module is certified Tier 1 Bloomberg NEF (Q4 2024) and meets all IEC, CE and EN requirements for EU utility-scale projects.

## 3. TECHNICAL DATASHEET — ES-620M

| Parameter                     | Value / Specification                                        |
|-------------------------------|--------------------------------------------------------------|
| Nominal Power Pmax (STC)      | 620 Wp                                                       |
| Module Efficiency             | 21,8%                                                        |
| TOPCon Cell Efficiency        | 25,7%                                                        |
| Power Tolerance               | +5 / -0 W (positive tolerance guaranteed)                    |
| Open Circuit Voltage Voc      | 41,9 V                                                       |
| Short Circuit Current Isc     | 18,5 A                                                       |
| NOCT                          | 45 ± 2 °C                                                    |
| Temp. Coeff. of Pmax          | -0,31 %/°C                                                   |
| Bifaciality Factor            | "e 70%                                                       |
| Module Dimensions (L × W × H) | 2384 × 1134 × 33 mm                                          |
| Module Weight                 | 34,8 kg                                                      |
| Cells per module              | 144 half-cut TOPCon (6 × 24)                                 |
| Application Class             | Class A / Class II                                           |
| Max System Voltage            | 1500 V DC (IEC)                                              |
| Junction Box IP               | IP68                                                         |
| Certifications                | IEC 61215:2021, IEC 61730-1/2, CE, TÜV SÜD, MCS UK, UL 61730 |
| Bloomberg NEF Tier            | Tier 1 — Q4 2024 (certificate available on request)          |
| EU Origin (cells)             | Yes — manufactured in Düsseldorf, Germany                    |

## 4. PRICING / RIEPILOGO ECONOMICO

| Description                    | Qty         | Unit Price    | Total EUR        |
|--------------------------------|-------------|---------------|------------------|
| ES-620M Bifacial TOPCon Module | 125.000 pcs | 0,0870 EUR/Wp | 6.727.500,00     |
| Export packaging (pallets)     | 3.472 pcs   | included      | —                |
| CIF Port of Catania            | lump sum    | 72.000,00     | 72.000,00        |
| Technical documentation set    | 1 set       | included      | —                |
| TOTAL OFFER PRICE (excl. VAT)  |             |               | 6.799.500,00 EUR |

Note: price based on EUR/USD = 1,085 and polysilicon spot at USD 6,2/kg. Revision clause applies if deviation > 10%.

## 5. COMMERCIAL TERMS / TERMINI COMMERCIALI

| Condition         | Detail                                                                  |
|-------------------|-------------------------------------------------------------------------|
| Payment Terms     | 50% advance on Purchase Order + 50% against Bill of Lading              |
| Payment Method    | SEPA Bank Transfer — IBAN DE89 3704 0044 0532 0130 00 (Commerzbank)     |
| Incoterms         | CIF — Cost Insurance Freight — Port of Catania (buyer arranges inland)  |
| Lead Time         | 16 weeks from receipt of advance payment and signed PO                  |
| Delivery Schedule | 2 shipments of 62.500 modules: week 12 and week 16                      |
| Packaging         | 40' HC containers — 36 modules/pallet — 28 pallets/container            |
| Included Docs     | Datasheet, EC Declaration of Conformity, IEC test reports, Tier 1 cert. |
| Delay Penalty     | EUR 0 — no delay penalty; force majeure clause applies                  |
| Price Validity    | June 9, 2025 — subject to polysilicon price revision clause             |
| Minimum Order     | Full lot of 125.000 modules — partial orders not accepted               |

## 6. WARRANTY / GARANZIE

| Warranty Type                   | Terms & Conditions                               |
|---------------------------------|--------------------------------------------------|
| Product Warranty (defects)      | 10 years — replacement or full credit            |
| Performance Warranty Year 1     | "e 98% of nameplate power                        |
| Performance Warranty Year 12    | "e 90,0%                                         |
| Performance Warranty Year 25    | "e 80,7%                                         |
| Annual Linear Degradation Y2-25 | "d 0,45% per year                                |
| Warranty Claim Process          | Within 6 months of defect discovery; FCA Wroclaw |
| Financial Guarantee             | Parent Company Guarantee by EuroSolar Holding AG |

## 7. COMPANY REFERENCES (UTILITY-SCALE EUROPE)

| Client / Project             | Technology    | MWp     | Year |
|------------------------------|---------------|---------|------|
| RWE Renewables — Bavaria, DE | TOPCon 610 Wp | 95 MWp  | 2024 |
| Vattenfall — Saxony, DE      | TOPCon 615 Wp | 140 MWp | 2024 |
| Ørsted Solar — Denmark       | ES-610M       | 65 MWp  | 2023 |
| Lightsource bp — Spain       | ES-620M       | 210 MWp | 2025 |
| GreenGo Energy — Netherlands | ES-615M       | 55 MWp  | 2024 |
